

WHAT TO DO AT DEERFIELD

Water Activities

We have kayaks, a canoe, and stand-up paddleboards for use. You must use lifejackets for any water toys and return the kayaks and canoe to the stand on the drive and lifejackets and paddles back to the garage upon check out. *These items are used at your own risk.*

If you would rather rent these items, our preferred company is Ayres Creek Adventures:
8628 Grey Fox Lane, Berlin, MD 21811

Dock

We enjoy western exposure and amazing sunsets and the dock is a great place to enjoy them! Feel free to bring some chairs to the dock and enjoy it. There are boats on the dock. Do not touch, board, or attempt to use either of these boats.

Swimming

The bottom of Holland Creek is very silted, meaning it's very muddy and not firm. We don't recommend swimming as it's quite a messy affair. It will be more fun to be ON the water than IN the water. The water depth at the end of the dock is 3-4 ft. Winds and tides will factor in water depth.

Fishing

The pond at the beginning of the property is a great place for catch-and-release fishing for small-mouth bass, large-mouth bass, crappie, sunfish, and more!

*Renter supplies rods, tackle, and bait.

Crabbing

You can fish and crab off the dock/pier. Buck's Market at the corner of 611 will have string and chicken necks for hand lining.

Games

We have a variety of games, including cornhole and bocce ball, located in the garage for your use. We also have a poker table in the far living room.

Grill

We have a gas grill and grilling tools outside. We also have folding crab tables and chairs for your use. We also have a Pizza Oven for guest use.

Fire Pit

We have a fire pit for your use. This is one of our favorite spots in the yard! We have wood for your use and a trashcan with kindling. Along the drive up to the house and in the circle in front of the house, you will see piles of split wood. You can use any of this wood. We have metal marshmallow sticks in the garage.

Please take care to maintain and monitor the fire and extinguish it when done - there is a hose on the side of the house, by the side entrance.

Beach Chairs/Coolers

We have beach chairs, coolers, and beach umbrellas in the garage for your use.
